

**Continuation of Double Sessions for Tuesdays and Thursdays**  
**Revert to single session for Wednesdays from 1<sup>st</sup> September 2010**

Dear Members

When we embarked on the Double sessions trial in early May this year, the following objectives were targeted:

1. Ensures a member can participate in any of the evening social sessions anytime they choose without being turned away
2. Ensures all players will get a minimum of 3-4 games per session
3. Ensures all players will get at least once two consecutive games per session
4. Reduces sit-out time for players

It is unquestionable we managed to achieve all of the above during the 3-4 months trial. The turnouts for 5 of the 6 sessions are very manageable but very disappointing for the first session on Wednesday which returned single digits turnouts consecutively for a few weeks.

There is indication of a very slight increased in cost due to slightly higher usage of shuttles on Tuesdays – nothing significant

The survey results from players also indicated an overwhelming support for the continuation of the double sessions for Tuesdays and Thursdays but inconclusive for the Wednesday session.

As a result of the difficulty of managing single digits turnouts on the Wednesday first session, with effective from the 1<sup>st</sup> of September, the Wednesday night session will revert to its single session format

**Session Time – 7.00 – 10.30 pm**

The double sessions for the Tuesday and Thursday night sessions will continue unless advised by future Committee
